Grade : V **Sec:** B

**In Charity lies happiness and bliss,
If you haven't done charity, you may miss,
The power to love and share ,
Charity gives you happiness and beyond compare.**

“**Charity** is a supreme virtue, and the great channel through which the mercy of God passed onto mankind. It's not how much we give but how much love we put into giving. All we need is to build human relations with our deeds .That's only thing that lasts forever. Charity liberates the soul of the givers.

Charity is essential and therefore meant to be done for public benefit, relief and to provide assistance to people at times of need in any part of the world, especially who are the victims of war, natural disaster, catastrophe, hunger, disease, poverty, orphans by supplying them with food, shelter, medical aid and other fundamental needs.

Pupil of Grade V -B marshaled the task of **charity** around temples of ARNI to promote their strength and skills of offering at very early age and to regulate the same throughout their lifetime. Children brought the required things very enthusiastically and they distributed the food packets, clothes and water bottles to the needy and downtrodden with smile and proud.

Here is a troop on a mission to offer alms to the needy and down trodden people near Puthirakameshwar Temple.

Yuvanesh.M from Grade V-B came forward to donate clothes to the underprivileged people. Both the donor and the receiver felt happy in turn.

Santhosh. N enjoyed the moment of donating some new clothes to these grannies who were longing to have the clothes in their hand.

I feel blessed that God has given me an opportunity to offer the rice bags to the poor one.
I'm sure I would continue this service through my lifetime- Shanmuggapriya.K
