

PINKZ PUBLIC SCHOOL_ KASTHAMBADI

24th FEBRUARY 2018, SATURDAY @ 2.30pm

Dear Parents,

Page | 1

Our promise has been to guarantee the overall holistic progress of our students in totting up to our efforts to instruct the best education.

It is rightly said that, *'Success is not a destination, but the road that we're on. Being successful means that we're working hard and walking our walk every day.* Pursuit of brilliance with sincerity of purpose is what we at PINKZ strive for. We extend our good wishes and gratitude to our illustrious mentors whose vision, wisdom and missionary zeal inspired all our stake holders to work with passion and commitment.

It is my customary duty to present before you a brief roundup of the current academic session. I take this opportunity to extend my extend our appreciation to every one of those who walked along with us—every student, every teacher and every parent who contributed his or her best to build this edifice of excellence.

Looking back at our journey of 9 years of Educational Excellence of PINKZ PUBLIC MATRICULATION HIGHER SECONDARY SCHOOL, serving the cause of education, we feel happy and proud at the thought of the significant strides made in every field of activity. It is truly said that, *the direction in which education starts a child will determine his future life.* While we provide education and remain steadfast in our goals we aim to develop knowledge, values and skills to face the emerging challenges timely, meaningfully and successfully.

It gives me immense pleasure this afternoon, to apprise you of the latest developments and share the highlights of this academic year as I present before you the Annual Report of our school for the session 2017-18.

I wish to begin with our performance on the academic front.

In Academics:

Changes and Development:

To prepare our students and make meaningful contributions in an increasingly global society, our efforts are driven towards providing them with good infrastructural facilities. Consistent with our policy, we are providing our pupils and staff with improved infrastructure to facilitate a positive learning environment.

- I am happy to inform you that second floor has been added in our building Even 200 pairs of individual chairs and desks have been procured.
- The ground in the morning assembly area was renovated
- The installation of the Biometric Machine to record the attendance of the staff has indeed added value to the school system.
- A new KG Play Area is in the process of mushrooming.
- Introduction of Teach Next has seen enhancement of technology and infrastructure in school.
- A new Language laboratory with new computers have been added to the infrastructure.
- A new Staff Room for the teachers has been constructed.
- The School Office has been renovated.

Safety and Security:

Our primary responsibility has been to provide safety and security to the students and staff on the school premises. Keeping this in mind, a CCTV Camera has been installed in the school

premises. Soon we shall be installing more Close Circuit Cameras for better surveillance. A good number of Fire Extinguishers have been provided for handling emergencies.

A Sick Bay for students serves as a First Aid Centre and is used as rest rooms during sickness. To look into the safety and security of students, a safety-committee has been constituted. Area In charges have been deputed to monitor various floors and wings in the school.

Social Services:

An awareness rally towards Go Green Politics was an initiative towards a social cause in which the students participated actively.

Learning by Doing is another area of focus.

A constant effort is made to ensure that students learn by experimentation, observation, and using all their five senses. Various science, Literary and Social Science activities were conducted by the school to inculcate scientific temper, relevant literary skills and knowledge about the history, cultures and political sciences of the world. Integrated Projects are considered.

Education is the passport to the future, for tomorrow belongs to those who prepare for it today.

Our endeavour lies in encouraging and providing constant support for blossoming of innate talent by providing variety of platforms in school, be it the school assembly or competitions, the clubs or in the class. We constantly shall strive to provide the much needed all round development as we aim to leap towards excellence.

This annual report is much more than a statement of the school's activities and achievements in this academic year. It is a reflection of the school ethos, an expression of the conviction and faith with which we pursue our goals and the very spirit with which we at PINKZ Educational Activism.

Even as we recognize and reward achievements, cherish and celebrate memorable moments, we remember with gratitude every one of those who made it all possible.

I wish to conclude with a prayer to the Almighty, thanking Him for his benevolence and seeking His gracious blessings and guidance to make our lives more rewarding and more fulfilling. I look forward to seeing each and every member of the PINKZ and Sri Maalaiyamman Educational Trust striving for greater heights every day. I request all our parents to continue with their support and cooperation.

Thank You

In Solidarity
