VENUE: PINKZ PUBLIC SCHOOL

GRADE: VIII-B

EVERY CHILD IS AN ARTIST

INTRODUCTION:

Many popular fundraising events today revolve around sports –such as run /bike/ride events, bowl – a- thons, golf tournament and more. But exploring creativity and educational fundraising ideas involving art forms is sure to be engaging for many audience that may not gravitate towards active fundraisers. Changing the limits for how you can raise money through art is an exciting endeavour and we are here to give you some ideas...

From the global trend of street art to classical technique, art is as varied as people and indeed each individual takes art forms to unique and authentic height. We reach places within ourselves through its expression whether through viewing art, watching an artist work or creating our own masterpieces. Sharing art with a loved one in any forms can be the richest of experiences .art –based fundraising ideas can be every bit as varied and moving.

STUDENT'S INVOLVEMENT:

The art exhibition was very well supported, very well attended with lots of interests in the works on display. Student of 8 B made the event very successfully with lot of joy and pleasure. Money was also raised through raffle ticket sales.

“A PAINTING IS A POEM WITHOUT WORDS”

CONCLUSION:

A kid's art exhibition fund raiser is a fun, simple and appealing idea! Both parents and children enjoyed it and the really great thing about it is that there are loads of ways to raise funds through it.

We were extremely proud and happy on seeing the active participation of the children in this activity. This activity also taught the children that there are many positive ways to raise fund for our living.
