

## Organizing sports competition for Primary Children

---

**VENUE:** Pinkz Ratnam Arena

**GRADE:** VI Sec: A

---

**Sport teach you challenge**

**Sport make you a social person**

**Sport make you sharper and quick decision maker**

**Sports do not build character, They Reveal it.**

The importance of sports and games in school encompasses more than just the benefit of physical activity. It increases self-esteem, confidence, peer love, adjustment, gross motor skill, satisfaction, mental fitness, etc, etc...

Although the benefits of school sports abound, with a diminishing economy, many schools are cutting out sports and physical education programs to the detriment of students nationwide.

Not only academic development is important, a child should be molded in all aspects to meet the real practical world. We strongly believe that;

**ALL CLASSROOMS DON'T HAVE FOUR WALLS.....**

The students from Grade VI -A organized a sports meet for the little tod's of Grade IV-B in the Pinkz Ratnam Arena. It was an activity involving physical exertions and skills in which an individual or team competes against another or others for entertainment.

The whole class was divided into 2 active groups and divided the responsibilities among themselves. We have listed the names of those 2 groups here:

**Group 1**

1. Sreenithi P
2. Subashree K G D
3. Tharika S V
4. Adhithya K S
5. Barath P B
6. Bhuppen Kumar H
7. Tanusri K
8. Arshiya A
9. Harshavarthini G
10. Janani C
11. Niranjani J
12. Niviya V

9. Harshavarthini G
10. Janani C
11. Niranjani J
12. Niviya V
13. Durgesh S

The children of Group 1, took incharge of Event 1. The list of activity done by Group 1 in Event 1 is listed below:

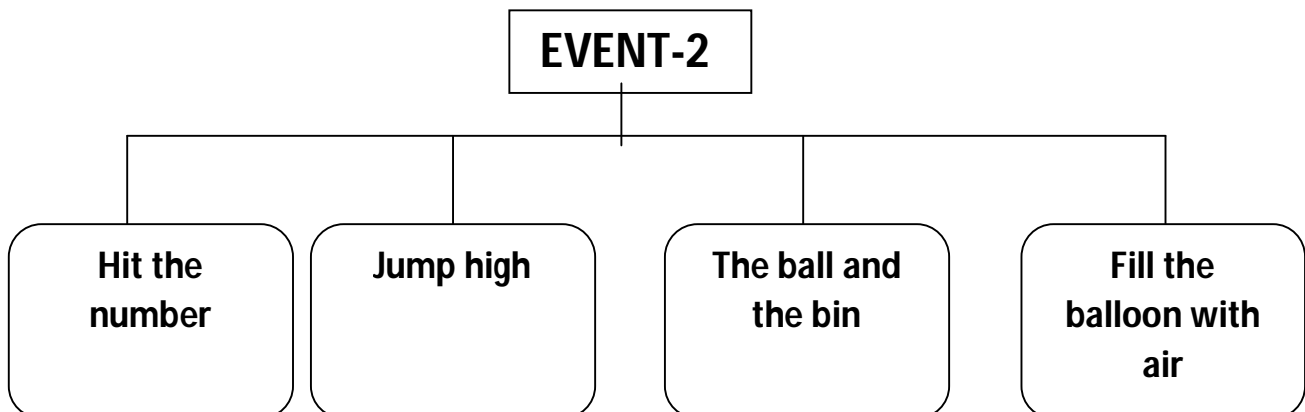

### **EVENT-1**

Games conducted by Group 1:

### **EVENT-2**

Games conducted by Group 2:

**Here are few games that were carried over:**

**Running Race:** Research shows that running can raise your levels of good cholesterol while also helping you increase lung function and use.

**Lemon & Spoon:** Children develop their concentration level and patience through this activity.

**Hit the Number:** The students here will target a number & hit the basket for surprising gifts.

**The Ball and the Bin:** The child who gets more number of balls in the bins with maximum counts will be the winner of the game.

Captain Jeevananthan.J of Group 1, explained all the rules and regulations that should be followed in the ground. They also explained the importance of FIRST AID box in the ground.

A proper playground surface is one of the most important factors in reducing injuries. The surface under the playground equipment should be soft enough and thick enough to soften the impact of a child's fall.

The children of Group 2, took incharge of Event 2.

Now comes the Captain Sreenithi.P of group 2, who is explaining about the events and the rules.

The student is on full fire to hit the ball which talks about the concentration and his focusing level.

The girls of Grade IV, are eagerly standing here to prove their talent by throwing the colour balloons.

All the winners were awarded by our Respected Adl. Correspondent, Mrs. R.Chitra
